TAO is arisen out of current of truth
which is great and noble.
From Natural, originate from natural,
guide all mankind to the righteous path in the world.

The light of divinity radiates the top of the head.
Speech must be true, polite and innocent.

Road/path could be T-Zone. therefore,
There are sword that has three tips.
Learning TAO, Praise TAO, will be protected

Devil, Evil and Genie is cast away.
Defending TAO, lift up TAO, do not brag
without telling others about it's own efforts.
Those efforts will be written by God/Heaven

Good or Evil, God and God know it all.
Carrying sword in the cloud, to see the world,
for the purpose of seeing as far as possible, to check human heart.
This is the way to conceive TAO, the way of conceiving the TAO,
to save limitless humans.

In the world, whoever spread TAO, will be loved, blessed,
this very logical and real.
Whoever frame TAO, destroy TAO, even though is being forgiven,
still very hard. This can be said the law of karma!

Perfecting own-self, who can be not happy?
Understanding own-self and others, I salute.
Exploit and do evil bad things to others, I forbid.

Many ways can be united which are Tai Chi and Wu Chi.
Achieving TAO is God and Goddess. Framing TAO is devil.

Having those understanding,
will never got lost in wrong and lost intersection again.

Sun and Moon have it's own fullness and it's half ness.
Life's path is also up and down.
Although it is a fate, however,
those who are compassion, good heart, study TAO, understand TAO,
When getting into bad situation, it's bad luck will be decreased into half.
During it's success, the fortune will be increased up to 4-5 part.

Pray using incense stick above the head
and help others is enough.

God and goddess write good deed and sin.
One by one. Like exist; like not exist; It is concrete and abstract.

Importunely, there are a lot of human, but only few understand it (WU),
So that fall into dangerous swamp, with hope.

If can understand self and Wu Chi (High)
Escape from suffering ocean, step out of darkness.
Main path is seen clearly in front of eyes.
